**BANTING POSTDOCTORAL FELLOWSHIPS BY THE GOVERNMENT OF CANADA**

The Government of Canada has announced the release of Banting Postdoctoral Fellowships for a two-year non-renewable duration. The fellowship is a program that provides funding to the very best postdoctoral applicants, both nationally and internationally, who are expected to positively contribute to the country's economic, social and research-based growth in research areas including health, natural sciences, engineering, social science and/or humanities.

The objective of the Banting Postdoctoral Fellowships program is to attract and retain top-tier postdoctoral talent, both nationally and internationally, develop their leadership potential and position them for success as research leaders of tomorrow.

Kindly note that the value offered amounts to \$70,000 per year and that the application deadline is **17<sup>th</sup> September, 2024 at 2000 hours (Eastern Daylight- EDT)**. Applicants are encouraged to complete their application in collaboration with the proposed host institution.
