## **FOREWARD**

The management of Kirinyaga University recognizes corruption as a risk that can occur in any organization. The University is committed to deterring corruption with a view to ensuring a corruption free institution. The University has drawn a corruption risk analysis and mitigation plan, and the same is implemented and monitored vide the corruption prevention committee. This policy document has been prepared to guide the entire staff of Kirinyaga University on corruption prevention.

**Prof. Mary Ndung'u**

**VICE CHANCELLOR**
